

It is time to move on to the #nextlevel.

We develop products  
that are breathtaking.

We develop products  
that solve your challenges.

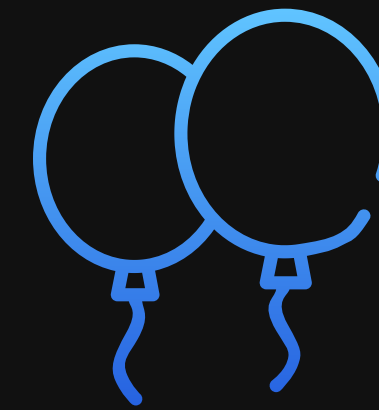

AGOV Communications.

AGOV Communications is a company focusing on business growth through the bespoke marketing & business solutions.

You hire us when you need the big visions to be implemented.

You hire us when you meet significant challenges, but aren't sure where or how to start.

You hire us when they need someone to listen, ask questions, understand your situation, provide clarity & map out a strategic action plan.

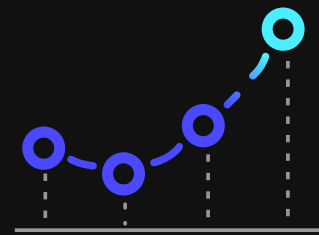

1,5 year

23 projects

Our competence solves  
the following tasks:

## Marketing objectives:

- Transmitting brand values & philosophy, company positioning.
- Presenting the product, service or company with WOW-effect & clear USP for the TA.
- Not spending time on poor-quality leads, because your marketing & website do not suit for your Target Audience.

## Business objectives:

- Boosting sales by increasing conversion.
- Business processes automatization.
- Standing out among competitors that gives you better sales perspectives.
- Increasing business orientation and sales effectiveness of marketing tools.

But let's be honest. It is **all** about business.

Key Industries:

Medicine & Pharmaceuticals.

Professional & Financial services:

Retail /FMCG/ Fashion;

HoReCa & Real Estate.

---

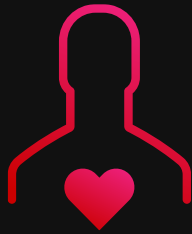

For whom:

Brave ones, which existing  
business is ready to grow;

Incredible  
startups;

Great ideas &  
passionate professionals;

Areas of expertise.

## Branding & Strategy.

BRAND is the margin of your business. In the 21st century, the consumer chooses the brand first, not the product. And he is willing to overpay for it. That you you have to be that guy that could clearly says why he is the optimal proposition among the competitors.
